

Diploma: **Undergraduate Diploma in Architecture**

Level: **First year**

Modules	Matters	Nature	Coef
M11 Methodology of project	Fundamental concepts ,space analysis ,initialization to formatting	An	1.50
M12 Expressions and mode of representation	Drawing	An	1.50
	Plastic expression		
	Descriptive and perspective		
M13 Sciences and Technologies	Mathematics (Geometry)	An	1.00
	Physics of the building		
	General construction		
M14 Environment Human and Social sciences	History of Art and Architecture	An	1.00
	Theory of Architecture		
	Natural and built environment		
	Introduction to anthropology and sciences		
	English		

Diploma: **Undergraduate Diploma in Architecture**

Level: **Second year**

Modules	Matters	Nature	Coef.
M21 Methodology of project	Typo- morphological analysis , initialization to prog.	An	1.50
M22 Expression and mode of representation	Graphic and plastic expression	An	1.50
	Computing and assisted drawing by.		
	Descriptive and perspective		
M23 Sciences and technology	Resistance of materials	An	1.00
	General construction		
	Materials		
	History and typology of structures		
M24 Environment Human and Social sciences	History of the Art of Architectures	An	1.00
	Theory of Architecture		
	Sociology of the inhabited and psychology		
	Sitology and landscape		
	English		
M25 Study trip	Study trip and project of application	An	1.00

Diploma: **National Diploma of Architect**
Level: **Third year**

Modules	Matters	Nature	Coef
M31 Methodology of project	Methodology of project and programming	An	2.00
M32 Expression and mode of representation	Plastic expression	An	1.00
	Applied computing		
	Photography ,video		
M33 Sciences and Technologies	Technology of building masonry	An	1.00
	Grounds and foundations		
	Details of architecture		
	Urban infrastructure ,roads and various networks		
	Concrete		
M34 Environment of human and social sciences	History of architecture	An	1.00
	History, theory of town planning		
	Town planning and economic development		
	English		
M35 Law and Management	Introduction to law	An	1.00
	Law of building and town planning		
	Meters and written pieces		
	Norms of security of goods and persons		

Diploma: **National Diploma of Architecture**
Level: **Fourth year**

Modules	Matters	Nature	Coef.
M41 Methodology of project	Analysis ,critic, innovation, control and carrying out	An	1.00
M42 Expressions and mode of representation	Applied computing	An	1.00
	Option: photography or video or picture		
M43 Sciences and Technologies	Equipment of building lead heater ,air- conditioning	An	2.00
	Electricity		
	Electricity		
	Treatment of the envelope and carpentry		
	Organization of workshop		
	Pathology of the building		
	Acoustics		
M44 Environment of Human and Social Sciences	History of the architecture	An	1.00
	Protection of patrimony		
	Study of the impact on Environment		
	English		
M45 law and Management	Legislation of public markets	An	1.00
	Legal responsibility		
	Ethics, Organization and Management		
M46 Study trip	Study trip and project of application	An	1.00

Diploma: National Diploma of Architect			
Level: Fifth year			
Modules	Matters	Type	Coef.
M51 Methodology of the project	Thematic project	S1	1,00
M52 Expressions and modes	Seminaries of architecture and modes of representation	S1	1,00
	Seminars of architectural criticism		
M53 Sciences and technologies	Seminaries and Project of Architecture and Technologies	S1	1,00
M54 Environment , Human and social sciences	Seminaries of architecture in appreciable environments and specific areas	S1	1,00
	Seminaries of vernacular architecture		
M55 Law and Management	Seminaries of architecture regulation of town planning arrangement	S1	1,00
